

Tourism, Lodging & Dining

Spring, Summer, Fall, or Winter – it doesn't matter what the time of year! Zapata, Texas located on Falcon Lake Reservoir is a great place to come and enjoy. Whether you want authentic Mexican cuisine, amazing fishing, exotic birding, relaxing golfing, or gorgeous sunsets – Zapata is the place to be. Come eat, fish, walk, golf, and slow down for a better pace of life!

With Zapata's town site hugging the curves of Falcon Lake Reservoir, there are plenty of places on the land and in the water to enjoy the beauty of this area. The Big Bass fishing is top in the nation. The bird watching, and hunting along its shores are incomparable. Mexico may be on the other side of the river, but the beauty of Mexico and Spain's culture live on in the people who call Zapata home.

We have a wide variety of places to stay including motels, hotels, a bed and breakfast, RV Parks, and lodges.

Most of our restaurants are locally owned and run. We have sit down restaurants, fast food, and to-go only food places. Whether you like steak, fajitas, seafood, American, or Mexican – we have them all. The portions are hearty and reasonably priced.
